

EGA Bylaws & Region Policies

Updated versions of the **EGA Bylaws** and **Policies** are available on the EGA website. Because our need to reference these documents is occasional, it is no longer necessary to maintain printed copies of these documents in this notebook. When you need to access information in either of these documents, please follow the instructions below. Your executive committee and parliamentarian will have copies of these documents if it is necessary to refer to them during a region board meeting.

EGA Bylaws

Step	Action
1	Open your web browser and go to www.egausa.org
