Updates for the Region Roster

Please forward all roster corrections that you have to bring the roster up to date by October 1, 2009. I need the full information including position and who the officer is replacing. Do not forget to include your Chapter name also, please. This will be the last roster update for 2009.

The next update will be the information needed following your Chapter elections. I will send an e-mail to the Chapter Presidents and Region Representatives when this deadline will be. The 2010 updates do not have to wait until the officer is installed - once the member is elected, please send the information to me. The chances of the elected members not taking the position they are elected to are really very small and if that was to happen, the new information could be quickly changed.

Thanks to all of you - Dee Mullins
