The Mermaid Tale

The flash of a mermaid's tail is all we see through the water's depths. Where is she going? What was she doing? Only the mermaid knows her tale. In this class you will learn to work within a line drawn canvas, interpret and compensate small stitch patterns and work with exciting materials to enhance the stitched project.

Two options are offered: 1. Attend the live class in Brooksville FL for direct teacher contact and the camaraderie of our members, or 2. "ghost" the class and learn on your own schedule at home.

A nonrefundable deposit fee of \$25.00 is due at the time of registration. Registration closes July 31, 2025.
